Office News

Kia Ora, we hope you're having a warm winter and enjoying the indoor opportunities with your children. This month we say a big welcome to Robin. Robin's role is as a Coordinator helping to meet the needs of each child and Educator. Read Robin's introduction over the page. This term we have introduced an educator of the month award for going that extra mile. We get some awesome feedback from parents and would like to reward that someone extra special each month. If you have something to tell us about drop us an email or phone call.

Thanks to everyone who is letting their Educators know in advance of any absences. It is also really important that Educators know of any sicknesses that are going around so that they can inform other parents when necessary. Rachel, Jodeen, Johnelle and Robin
