Office News

Welcome to term three.
Where has the term gone, even with the cooler weather the children have been very busy out and about making the use of the changing season by wearing warm clothing and exploring the great range of activities and experiences available. One of my favourites has been to see the use of the bikes, with one child in particular gaining confidence to ride on two wheels with such delight. As you see we have a great range of events happening this term, please feel free to join in whenever you can if your child is in care on that day or not. I myself am looking forward to the bus trip, not everyone gets to go on a bus to Ohope and back. Look forward to meeting you out and about. Rachel and Jodeen
