Office News

Welcome to term four
This past term has seen some exciting permanence gained for HBC as we gained accreditation for the playgroup which means that it is now funded for the community by the Ministry of Education, and also that we now have been granted a full license for HBC as a service providing quality care and education meeting the licensing criteria set out by the ministry of education. HBC is an early childhood provider that is aiming for the best for each child in care. It takes the Educators to do an awesome job to help make this happen and they do, so mark on your calendars World Teacher's Day Friday 29 Oct. We are at the office each day until 2 pm so feel free to call in or drop us a line via email we are always happy to hear feedback, questions or suggestions. Hope to see you at the forum. Jodeen and Rachel.
