## Office News

*Welcome to term two, the year is going by fast and we have been able to celebrate many of the children's learning experiences through their discovery books and observations. It is so amazing to see the changes in development stages and growth from term to term. Discovery books are held for each child with their Educators. Throughout this next term we will be continuing to update policies and procedures to help the service operate as efficiently as possible. Policies will be held at the office for two weeks as a draft copy for consultation, and then any amendments done, then a final copy will be given to each Educator for their policy folders. These are always available for viewing. We hope that you have a great term and are able to enjoy the cooler weather. Rachel, Jodeen and Johnelle*

**Signed Timesheets due 10am Monday on pay weeks NO red pens or twink**
